REEF™ & REEF MINI™ SERIES

CORDED & HARDWIRED

TRAILBLAZER OF COMMUNAL SPACES

A POWER-FILLED DAY REQUIRES A POWER-PACKED SOLUTION.

From small to large, private to public, Reef—and now Reef Mini—are here to help you work in any space by serving up collaborative power, data, USB and USB-C® charging capabilities within its minimal footprint design. The noninvasive retractable lid provides inconspicuous storage space to hide wires and cords, keeping your conference table clean and tidy without interruption. Reef, along with Reef Mini, both deliver a surprising amount of power with an unexpected twist—an optional convenience outlet accessible just below the surface. How convenient is that?

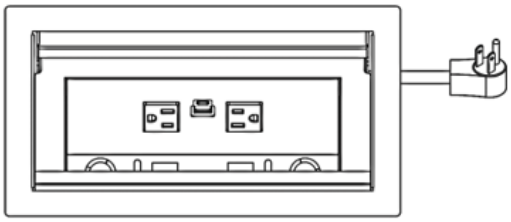
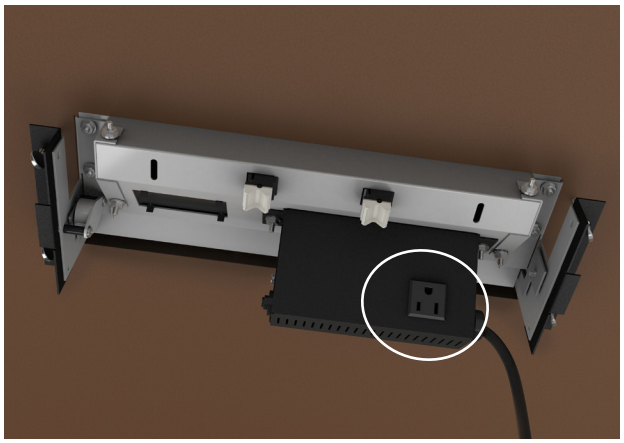
REEF SHOWN



CORDED
REEF MINI SHOWN

In-Surface/Bezel *(Featured to the right) -*

- Easily integrate Reef & Reef Mini directly into the surface cutout. This model comes standardly equipped with a clever retractable lid that keeps wires and cables organized and out of sight. When closed, the unit sits nearly flush to the surface for an overall aesthetic finish.



Convenience Outlets *(Featured to the left) -*

- **Intended Applications:** Desks, tables and work surfaces; ideal for stationary accessories like lamps, computers, or monitors that do not need to be accessed frequently. This allows surface access to charge temporary devices like laptops and mobile devices that are used regularly.
