# Minimal Footprint

## THE TECHNOLOGY BRIDGE.

Ashley Link 30 offers an elegant and refined design with state-of-the-art technology interface and fast USB charging capabilities. The result is power hungry devices won't steal power away from smaller devices and each device charges as fast as possible, getting the power each device needs.

## ASHLEY™ LINK 30 PROVIDES:

### Current-To-Future Charging

The Ashley™ Link 30 bridges the gap for charging needs, utilizing a minimal footprint. Old and new generations of phones, tablets and other devices can be accommodated by the Ashley™ Link 30, which offers both USB-A and USB-C charging.

The Ashley™ Link 30 provides a single USB-C port as well as a dual USB-A port, and two AC receptacles. Both USB technologies have short circuit, overcharge and over-current protection to ensure optimum safety when it comes to your devices. This flexible charging solution is available in White, Black, and Gray as a clamp mounted product.

Ashley™ Link 30 is available in clamp-on mounting option and is UL 962A and 111 Listed.
