

CONNECTRAC GO

**PLACE,
PLUG,
GO!**

FLOOR WIREWAY SYSTEM

The Connectrac GO system gives you power, telephone and computer connectivity anywhere, anytime, and within minutes. Simply place the durable, anodized aluminum wireway on top of any floor surface and plug the cord into a handy outlet. Locate the receptacle unit where you need it, install up to 4 CAT 6 cables and you're all set. GO gives you the flexibility to provide, move or change connectivity when needed. Feel the freedom of Connectrac GO.
