

INTERFACE G2

POWER BEHIND THE BRAIN- STORM

CONFERENCE ROOM POWER SOLUTION

Big ideas arise at the most unexpected times. Interface G2 generates the power so you can generate the ideas. Featuring four power outlets, three telecom plate knockouts, and your choice of USB charging ports, Interface G2 is a necessary addition to any conference or boardroom table. An integrated brush helps keep units free of debris and a convenience outlet, allows access for ancillary accessories to be powered below the worksurface.
