

INTERFACE G2 UT

POWER BEHIND THE BRAINSTORM

CONFERENCE ROOM POWER SOLUTION

Big ideas arise at the most unexpected times. Interface G2 UT generates the power so you can generate the ideas. Featuring four power, three telecom plate knockouts, and optional USB ports, devices have the ability to charge even while in-use. An additional convenience outlet is included underneath each unit for added utility power. If desired, this particular unit gives manufacturers the liberty to fabricate their own lid.
