

POWER SLIP™

POWER THAT MOVES WITH YOU

HEIGHT-ADJUSTABLE TABLE SOLUTIONS

Cord clutter is an ongoing problem for height-adjustable tables. Get them out of the picture with the Power Slip™ Quick Kit. Featuring an under-surface wire management Basket, cords can be stored out of view. Meanwhile, at the surface level, users have convenient access power, data, and USB from a single flush-mounted grommet. For multi-user functionality, our 4 Wire 2 Circuit DaisyLink™ System connects multiple units to and from a single power source.

POWER SLIP™

FEATURES:

Applications

- Bezel / In-Surface
- Under
- Height Adjustable Tables

Standard Finishes

- Silver Pearl
