

COVE™ TR

HIGH- POWER STANDARDS

SHUTTER-MECHANISM RECEPTACLES

Cove™ TR is the perfect solution for high traffic areas. This sleek power source delivers 15 Amp Tamper Resistant Receptacles that feature interior shutters, which can only be opened when pressed simultaneously. This prevents inadvertent access to the electrical within the unit. Its flexible design allows it to mount vertically or horizontally, providing the perfect solution for applications ranging from table surfaces to soft sided seating.
