

**GROMMET ACCESSORIES**  
FOR SECLUSION G2, MARINA,  
VILLA & VILLA II

# CONCEAL IN STYLE

## WIRE MANAGEMENT AND STORAGE SOLUTIONS

We offer a series of grommets that provide a high end alternative to replace an outdated grommet or fill an existing hole in your furniture. Our wide variety of styles, finishes, and sizes can accommodate needs for every project and keep a consistent look across the office.

## SERIES OF GROMMETS:

### Hide It Kit™ for Seclusion® G2 Series

Hide It Kit™ grommet design fits Seclusion® G2 proportions effortlessly. Available in two sizes, small or large, every kit comes standard with a black cable basket and a variety of grommet finishes including Black, Gloss White, Silver Pearl and Brushed Aluminum. This grommet style is also compatible with Power Slip which is commonly used in applications like height-adjustable tables.

### Family of Flush & Lift Lid Grommets for Villa™ & Villa™ II

Villa™ Grommets can be used alone or with one of our lid designs — Flush Style and Lift Style. The Flush Style comes equipped with a brush and sits flat within the work surface for a high end finish. The Lift Style provides a convenient recess to assist in opening of the lid. Both stay closed when in the vertical position for easy storage of tables. A variety of finishes are also available to compliment your work surface.

### Sliding Door Grommets for Marina Power Dock & HDMI

Collaboration in mind, the sliding door grommets, designed specifically for the Marina, allow access from either side of the table. Available in a regular or mini size, the sliding doors come standard with a graphite gray power base and a variety of grommet finishes including Black, Silver, Gloss White, and Brushed Clear or Black Aluminum.
