

I PLY

SENSIBLE DATA AMENITY

CLEAN AND SIMPLE DATA SOLUTION

Combined with any data and telecom plate, I PLY provides a simple and organized solution as a data-only alternative. Providing up to 2 custom telecom plates, I PLY's bracket design can stand-alone as a data-only solution or as an extra data accessory to any of our product lines. Retrofit I PLY to any exiting application that lacks data capabilities needed for hassle-free convenience.
