# POWER THAT MOVES WITH YOU

## HEIGHT-ADJUSTABLE TABLE SOLUTIONS

Power Island® seamlessly brings power to height-adjustable work surfaces, no table cut outs required. Power Island® provides power, USB charging, cord management, and our new 8 wire, 4 circuit DaisyLink™ Plug and Play electrical system which allows multiple units to be linked together from one power infeed. Our unique "No Particular Order" feature allows furniture to be reconfigured in any space without the need to follow any particular order or sequence. Power Island® Quick Kits provide all necessary components for popular table sizes making specifying simple.
