

POWER SLIP™

POWER THAT MOVES WITH YOU

HEIGHT-ADJUSTABLE TABLE SOLUTIONS

Cord clutter is an ongoing problem for height-adjustable tables. Get them out of the picture with the Power Slip™ Quick Kit. Featuring an under-surface Wire Management Basket, cords can be stored out of view. Meanwhile, at the surface level, users have convenient access power, data, and USB from a single flush-mounted grommet. For teams, our DaisyLink™ System connects multiple Power Slip units to a single power source.

FEATURES:**Applications**

Height-adjustable tables
Under-mount
In-surface

Standard Finishes

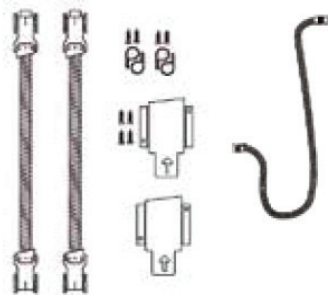

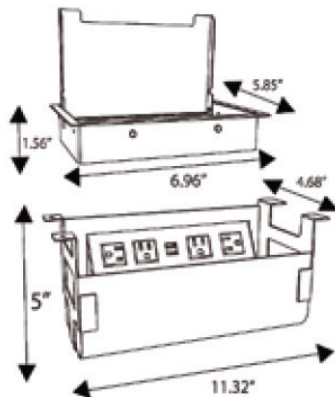

Silver Pearl 
Black 
Gloss White
