

# SECLUSION® G2 SERIES

# ALL- IN-ONE POWER

## PERSONALIZED WORKSPACE SOLUTION

Bring convenient and flexible power above or below the work surface with the Seclusion® G2 Series. The Seclusion® G2 meets the evolving demands of today's work environment by providing our customers with the ultimate opportunity for full customization. Combined power, USB and USB-C charging ports, and telecom plates makes for the perfect all-in-one power, data, and charging solution. Available in an array of two, four, and six power configurations, color finishes, mounting and hardwire options, the Seclusion® G2 can integrate in a variety of furniture designs.

**THE SECLUSION® G2 PROVIDES:****Enhanced USB-C Technology**

Powerful 5 Amp USB and USB-C technology quickly charges a variety of cell phones and devices, allowing you to stay connected at any given moment.

**Individualized Customization**

Choose from two, four, and six power configurations in an array of finishes with optional telecom plates that provide a wide range of data and audio visual component possibilities.

**ETL Listed for US and Canada****Compatibility and Integration in the Work Environment**

Designed to accommodate all furniture designs with its flexible mounting capabilities: clamp-on, under-mount, feet, and grommet-mount accessories. The ability to hardwire units in the work environment is ideal for a more permanent solution.

**5 Amp Tamper Resistant Receptacles**

Shutter mechanism keeps foreign objects out; adding an additional level of safety.
