## DYNAMIC STYLE

Power and style go hand-in-hand with Ashley Uno, a solution that offers an AC outlet for high-power devices along with 1 - 2.1 amp USB charging port and 1 - 60-Watt USB-C Power Delivery Port, each capable of charging devices in half the time of similar ports. This is due to Smart Device Recognition Chip technology that monitors and independently delivers the required amperage.

Ashley Uno is engineered with single-piece cover for an uncompromisingly clean aesthetic. Edge mount metal bracket is available in White, Gray, Black, Bronze, Carbon and Latte. Body options include White, Gray and Black.
