FULLY LOADED

POWER HUB

PORTABLE CHARGING POWER FROM EVERY

Give transitional and collaborative spaces a much needed boost of connectivity. As a free standing, full-service, power and charging station, Isle™ G2's dynamic functionality provides 360° of power, USB and USB-C® charging capabilities for multi-user connection. Environments like airport terminals, student unions, and hotel lobbies can now offer a surplus of innovative and flexible power like never before.

Free-Standing Portability
### (Featured to the right) -

This portable multi-purpose power tower can be placed anywhere charging capabilities are needed. Simply move and position one among a cluster of chairs or tables in a lounge, student center, or meeting area. Should the space configurations change, move the Isle G2 and reposition in the new space.

Tether/Anchor to Surface
(Featured to the left) -

Additional slots located underneath the base of the unit allow Isle™ G2 to either tether or bolt to surface should mobility not be desired.
