YOUR SINGLE POWER
SOURCE SOLUTION

PURL™ Series

Power extended.

STREAMLINE AND SHARE YOUR POWER WITH A SINGLE-OUTLET

Introducing the PURL™ - an innovative linked power system that allows for the seamless daisy chaining power for training, conferencing, and meeting areas. Say goodbye to awkward and restricted power arrangements, as the PURL is the first UL Listed solution on the market that elegantly supports above-desk or table components. Simply link multiple power units, such as the Ashley® and Electrolite® Series, into the PURL daisy chaining system, and power everything with just one outlet. The under-desk system delivers linked power, providing a new level of versatility to training and office spaces.

This state-of-the-art system is designed to enhance your team's productivity and create an optimal work environment. The Ashley and Electrolite products are equipped with both USB A and USB C power and standard outlet power capabilities, mobile technology can be powered quickly and safely, the PURL™ is an ideal solution for all your power needs. PURL™ is UL Listed.
