

# SECLUSION® G2 SERIES

*CORDED & HARDWIRED*

MODERN.  
GENUINE.  
BRILLIANT.

## PERSONALIZED SOLUTIONS FOR EVERY WORKSPACE

Creating a space where great work happens is effortless, thanks to the versatile and functional Seclusion® G2 Series. These all-in-one power, data and charging solutions bring a pop of living color to your space while delivering connectivity right where you need it. Ergonomically sound mounting accessories support dynamic environments to supply above and below surface power always within arm's reach.

*See Hide It Kit Options in the Ordering Information Section for Unit Compatibility*CORDED  
(WITHOUT TELECOM KNOCKOUT)HARDWIRED  
(WITH TELECOM KNOCKOUT)*Series dimensions on following page...*

### *Bracket Accessory* (Featured to the right) -

Bracket is perfect for applications where a permanent solution above or below the work surface is required

### *Clamp Accessory* (Featured to the left) -

The clamp mount provides flexibility to secure the unit to the edge of the work surface and reposition as demands change

### *Feet Accessory* (Featured to the right) -

Feet allow you to stand the unit anywhere on the work surface and freely move as needed

### *Grommet Accessory* (Featured to the left) -

The grommet mount allows you to affix the unit into standard grommet cutouts for a clutter-free tabletop
