POWER SOLUTION.

Ashley Duo Air™

STU
DIO

BY DEKKO

Unapologetically Upscale.

CLEVER & QUIET CONFIDENCE

The Ashley Duo Air™ combines steadfast power—available at the slightest touch — with hideaway capability to make the most of your workspaces and furniture.

The flexibility offered by the Ashley Duo Air's frame allows the power unit to be mounted where it's most accessible and looks best, whether it's embedded in a piece of furniture or on a vertical or horizontal surface.

This impressive power pack delivers two AC outlets that deliver power for plugged-in hardware, while the true star of the USB tandem is the 60 Watt USB-C Power Delivery Charging Port. Power Delivery technology works to ensure that the USB-C 60W Power Delivery (PD) port delivers the right amount of power required to charge the connected device as fast and as safely as possible without damaging the battery.

The Ashley Duo Air™ is offered as a bezel mounting option and is UL 962A and UL 111 Listed.
