

HARBOR

COMPACT YET POWERFUL.

BUILT TO PERFORM.

Introducing Harbor by ECA, where efficiency meets power. Delivering 65W of USB-C Power Delivery, it provides the ultimate convenience for charging your devices. Featuring two 15 Amp receptacles, a USB-A QC 3.0 (quick charge) port, and a 65-Watt USB-C Power Delivery port, Harbor is built for enhanced desktop and workplace efficiency.

HARBOR PROVIDES:

Harbor embodies sophistication and efficiency, offering a seamless power solution. The inconspicuous clamp powering center streamlines your everyday tasks with its contemporary, clean energy. Effortlessly attach it to the edge of your workspace and let Harbor take care of the rest. Perfect for charging your desktop devices, Harbor is the epitome of convenience and style.

- Sleek and efficient power source
