Free-Standing Portability

(Featured to the right) -

This portable multi-purpose power tower can be placed anywhere charging capabilities are needed. Simply move and position one among a cluster of chairs or tables in a lounge, student center, or meeting area. Should the space configurations change, move the Isle G2 and reposition in the new space.

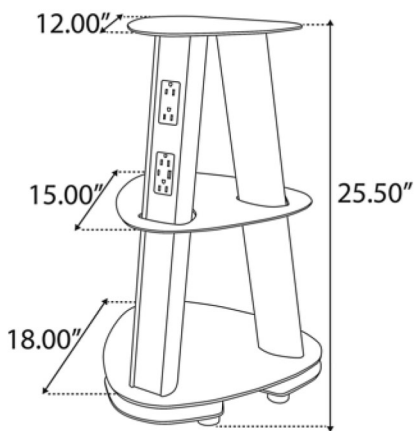

Tether/Anchor to Surface

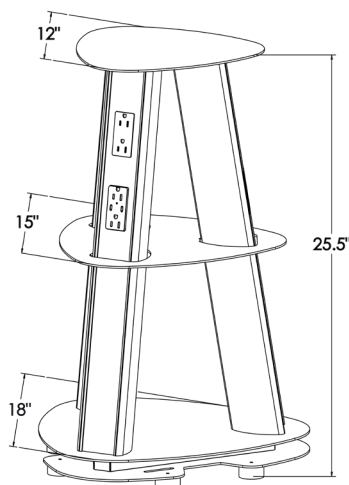

(Featured to the left) -

Additional slots located underneath the base of the unit allow Isle™ G2 to either tether or bolt to surface should mobility not be desired.
