YOUR SINGLE POWER
SOURCE SOLUTION

PURL™ Series

Power extended.

STREAMLINE AND SHARE YOUR POWER WITH A SINGLE-OUTLET

Introducing PURL™ - an innovative, modular linking system that allows for the seamless connection of power for training, conferencing, and meeting areas. Say goodbye to awkward and restricted power arrangements, as PURL is the first UL Listed solution on the market that elegantly supports above-desk or table components. Simply link multiple power units, such as the Ashley and Electrolite Series, into the PURL linking system, and power everything with just one outlet. The under-desk system delivers a new level of versatility to training and office spaces.

This state-of-the-art system is designed to enhance your team's productivity and create an optimal work environment. The Ashley and Electrolite products are equipped with both USB A and USB C power and standard outlet power capabilities, mobile technology can be powered quickly and safely, PURL™ is an ideal solution for all your power needs.
