

VILLA™ II SERIES

CORDED

EXTENSIVE
CAPABILITIES

ONE COMPACT
SOLUTION

VERSATILE POWER FOR VERSATILE APPLICATIONS

Villa™ II Series delivers integrated connectivity across a broad selection of furniture applications; making power easily accessible for users in various workspaces. Power, USB and data technology are available at the surface, while below-surface outlets extend power to stationary devices like monitors and computers. The mouse hole pass through organizes and eliminates excess cables for a clutter-free desktop.
