

DEKKO POWER

EDGE™

CONVENIENT. COMPACT. CAPABLE.

Compact yet powerful, EDGE is designed to cater to your charging needs wherever you are. With USB-A and USB-C Power Delivery ports, EDGE ensures compatibility with a wide range of devices, including laptops, smartphones, tablets, and more. Its sleek and compact design makes it perfect for any space, no matter how small. Whether you're at your desk, in a conference room, or in a public area, EDGE provides the convenience of power wherever you need it. Say goodbye to bulky power units that take up precious space and hello to EDGE — the perfect solution for modern lifestyles.

APPLICATIONS

Work Surfaces

Training Tables
