

DEKKO POWER

LAYER™

FREEDOM TO POWER ANYWHERE

Layer™ redefines how people connect by delivering flexible, freestanding power that moves with today's dynamic environments. Designed for modern workspaces, lounges, classrooms, and healthcare settings, Layer™ eliminates the need for wall outlets and built-in power—bringing energy directly to where collaboration happens. Its sleek, minimalist form and integrated cable management keep spaces clean and uncluttered, while USB-C Power Delivery technology ensures fast, safe charging for the latest devices. Combining mobility, modern design, and intelligent functionality, Layer™ empowers people to work, learn, and connect—without limits or compromise.
