LUNA™

Striking Design Meets Powerful Technology

Luna is a power and charging solution that stands alone as a striking statement piece while providing a powerful surge of charging capability for all kinds of devices. The faceted circular form and proportion invite a tactile experience. Refined details, including a mesmerizing metal accent, evoke a sense of luxury designed for myriad hospitality and workplace environments. Born from the idea of exploration and craft, Luna's intentional freestanding design provides a humanistic counterbalance to the technology inside.
