

DEKKO POWER

POPPY™

Fast Wireless Charging Made Simple.

Ditch the cables and easily charge your device with the Qi wireless charger, Poppy from Dekko. This ten-watt wireless charging grommet offers a clean, round design in a matte faux leather finish that integrates seamlessly into a 2.5-inch grommet hole. After securely installed, simply connect Poppy into a power source and place your Qi-enabled device on top for quick, convenient and cord-free charging.
